

Friday 15th December 2017

Dear Governors,

We are excited to write to you for the first time as a School Council. We have had a fantastic first term as a School Council which has involved us raising money, building links with FOG and writing our constitution.

At the beginning of the year, Mr Gillick got the committee members together and we decided some key things about how we wanted the School Council to run this year. We decided that, because there was only 1 girl from year groups elected last year, there should be a girl and boy representative from each year to make sure it was fair.

We then all gathered together to write to FOG and asked if we could join them to raise money for ourselves. They were very nice and agreed. We ran a throwing stall and raised £35.65 which FOG have said they will match for us. We look forward to working with FOG more in the future.

Unfortunately, one of our year group representatives was asked to leave school council by the committee. This was sad, however all year group representatives and committee members agreed, at the beginning of the year, to our constitution. We understand the importance of being good role models for the other children of the school.

Looking forward, we will be asking all children in the school what they want to see our money being spent on. We look forward to taking charge of our own money and working to represent our friends well.

Yours Sincerely

School Council.

Treasurer's Report:

Spending:

For Prizes for our stall, we spent £14.99

Income:

At the Christmas Fayre we raised £35.65. After fund-matching: £71.30

Selling the remaining Candy Canes, we raised £7.32

Total:£63.63

The money raised from the EYFS, KS1 and KS2 performances will be added to next term's report.
